

Oscillation Machine OSM **OSM 振动染色皂洗机**

Model: OSM-12

Option:
Provide screw lid to 250 ml conical flask and 500 ml pot on request.

Model

- OSM-12
- OSM-24

Application

- Soaping process
- Atmosphere pressure dyeing
- Color fixing process
- Chemical agents testing

Highlights

- 12/24×250ml glass conical flash beaker with silicone.
- 1×UPC controller to control temp. and time setting.
- An external heater to accelerate heat up as well cool water.
- Glass see through machine cover.
- Bath with exhaustion pipeline to cooling the vapour and drain to clean environment.
- Temp. up to approx. 95℃. Distance of oscillation is approx 50mm.
- Variable speed to and fro up to approx 100/min.

Specification: 型号	OSM-12	OSM-24
Pot position No 杯位	12	24
Voltage 电压	220V / 50Hz	220V / 50Hz
Power 功率	3KW	5KW
Machine dimension mm 机台尺寸	approx.885×870×400mm	approx.1380×870×400mm
Machine net weight kg 机台净重	approx.40kg	approx.70kg
